

To: Football Season Ticket Holders

MEMORANDUM

From: Eric Goodwin, Athletic Director
Mike Seitz, Ticket Manager

Subject: Football Season Tickets - Ticket Policy

The 2009 Football Season is just around the corner for our Cavaliers. There are some ticket policies that we would like to inform you of.

1. The MAC has a ticket policy that the Northwest District Board uses. Regardless of age, anyone occupying a seat will need to purchase a ticket. This is in effect for football, volleyball and basketball.

2. We will again be selling general admission season tickets for football this year. A general admission ticket allows admission into the game, but not a seat in the reserved section.

3. Supervision of small children is the responsibility of the child's parents during athletic events. For the safety of your child and as a courtesy to other fans, please help us to improve this situation. We would hate to see a child fall from the bleachers during the game. Please remind them they are there to watch a game. If you want your child to sit in a reserved season ticket area, they need to purchase a reserved seat.
